Foreword

The yearbook staff has chosen "Our School Orbit of 180 Days" as our theme. The orbit is composed of the classes, sports, clubs, dances, and good times we have enjoyed through 1958-1959, this school year of 180 days. For every day in the life of each student of W.C.S. there is one rotation. Successful completion of each daily rotation insures a revolution to a higher level once a year. Our orbit is filled with the many happy memories which the yearbook staff has endeavored to include in this yearbook. Follow us through our orbit and discover what we have encountered in our revolutions around Warrensburg Central School.

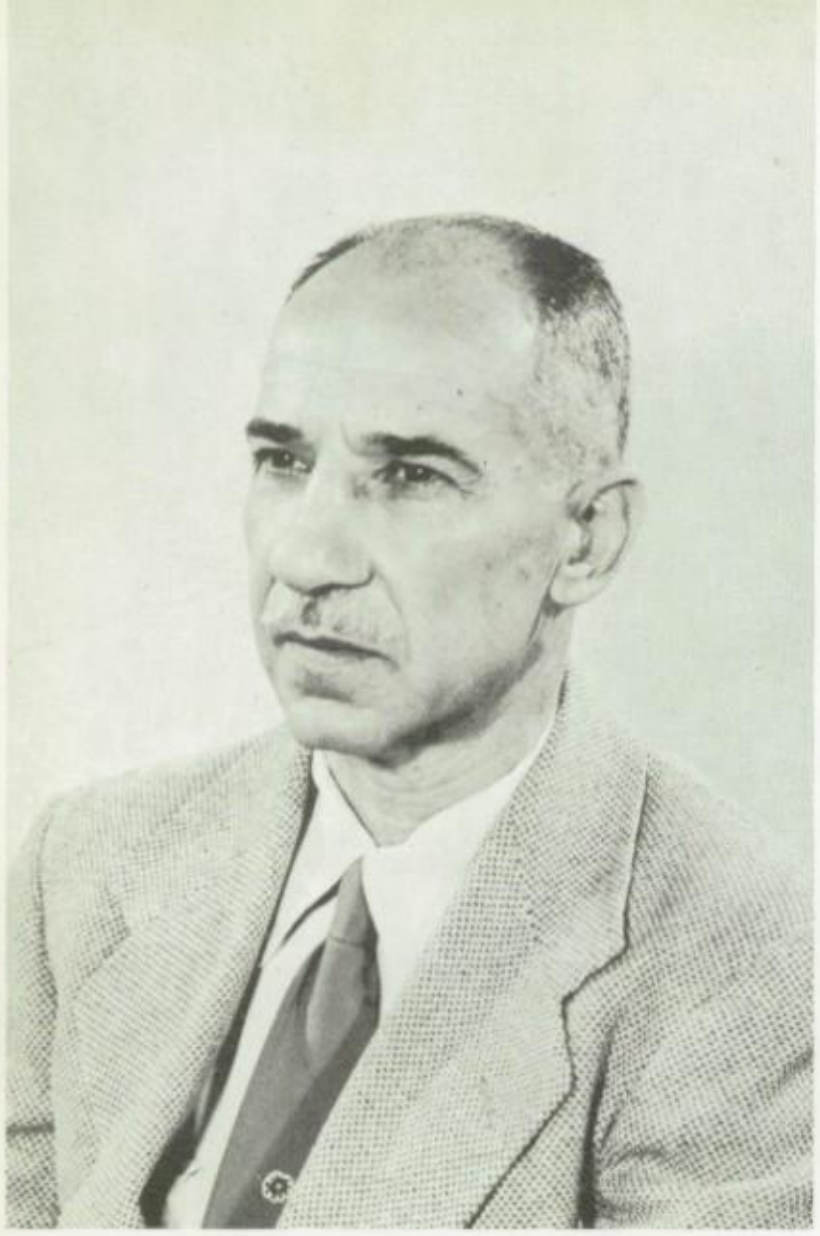
Dedication

TO MR. JOHN WAPPETT . . .

. . . A man never too busy to help with our problems; never too busy to talk to us; never too busy to do something for Warrensburg Central School . . . we dedicate this issue of The Hackensack.



FRANK J. CLAYFIELD

The yearbook staff inscribes our annual in memory of Frank J. Clayfield, a very active member of the Board of Education . . .

WILLIAM H. MALLERY

. . . and to William H. Mallery, whose leadership has led us forward to greater achievements.

Green be the turf above thee,
Friend of my better days!
None knew thee but to love thee,
Nor named thee but to praise.

Tears fell when thou wert dying,
From eyes unused to weep,
And long, when thou art lying,
Will tears the cold turf steep.

When hearts, who truth was proven,
Like thine, are laid in earth,
There should a wreath be woven
To tell the world their worth.

While memory bids me weep thee,
Nor thoughts nor words are free,
The grief is fixed too deeply
That mourns a man like thee.

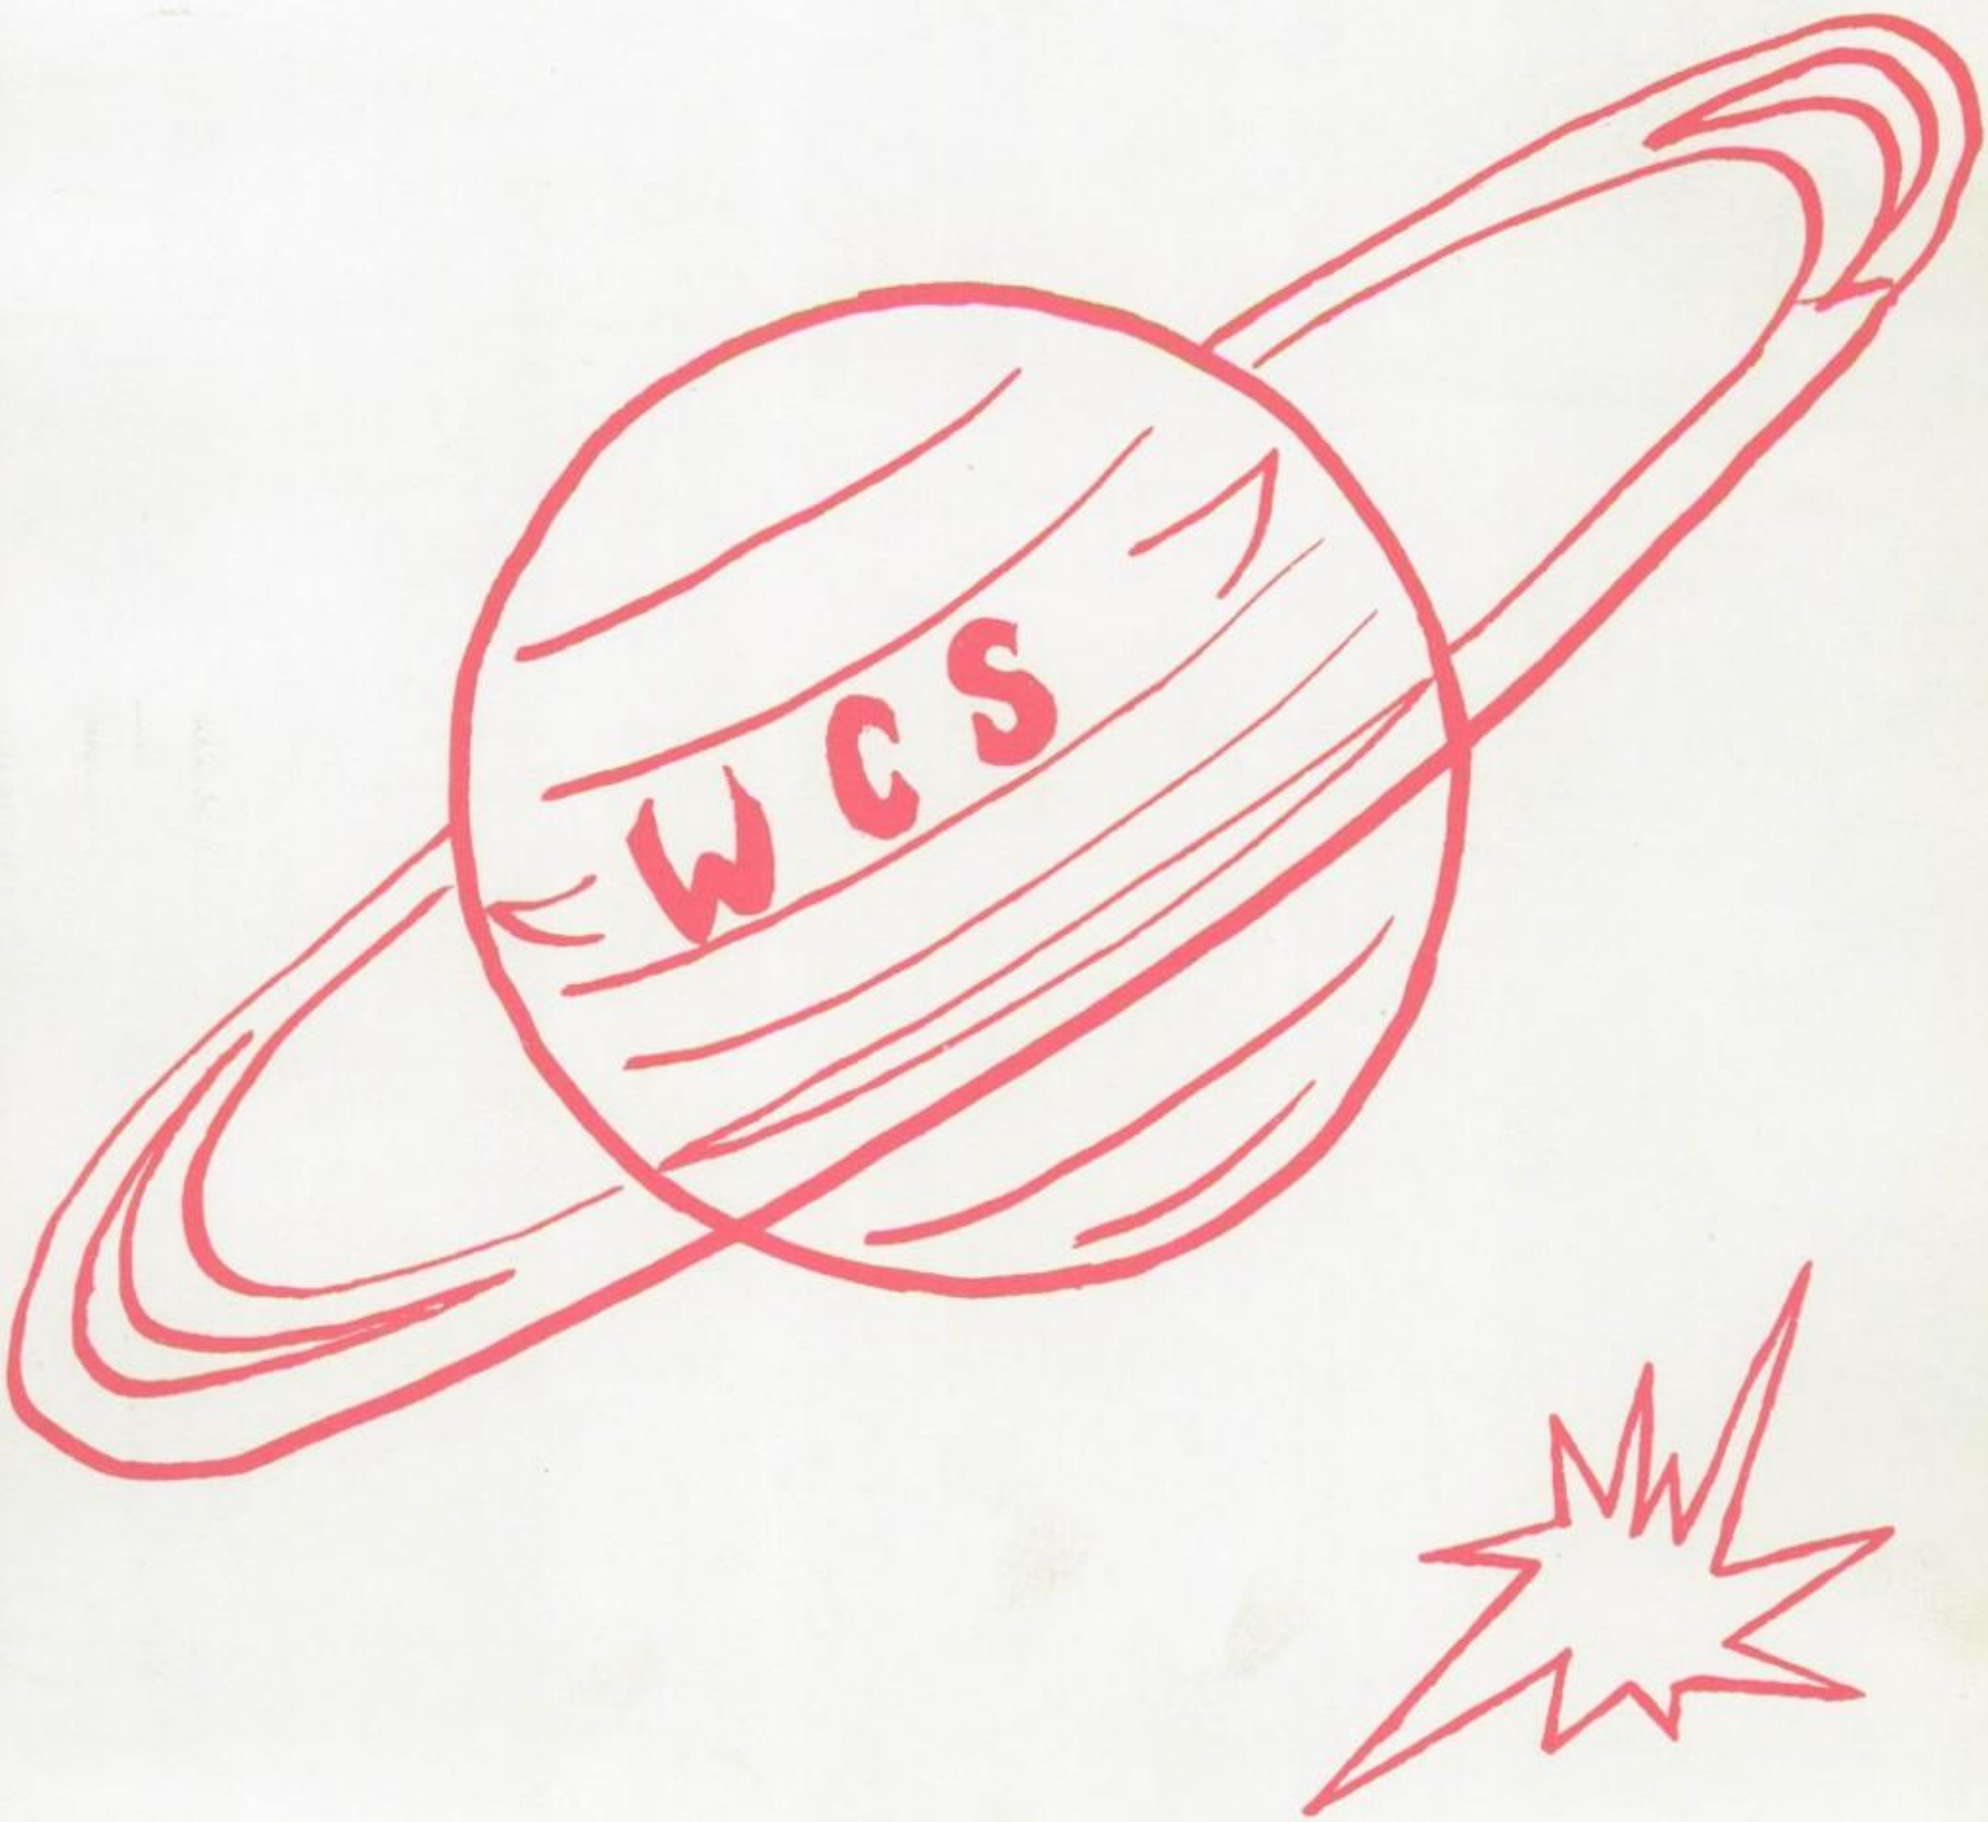
Administration and Faculty



Mr. Ralph Brown, Mr. William Maltbie, Jr.; Mr. James Farrar, Mr. Charles E. Hastings, Mr. Howard W. Savage, President; Mr. Donald M. Borth. Absent: Mr. Nelson L. Meader.

Although we do not see the Board of Education every day as we do our teachers, they are the center of our school system. With Mr. Savage as their president, they strive to provide a better education for our future success.

Durward D. Weaver
Supervising Principal

To the Class of 1959:

May I extend to you my hearty congratulations upon the countless fine achievements of your respective school careers. It is a very real satisfaction to have served as your principal and to have had your cooperation and loyalty.

I wish to remind you that commencement does not mean the end of your education, but rather the beginning of a new stage in the adventure of life where learning can continue indefinitely if you desire it so.

As you leave the halls of Warrensburg Central School to enter into new endeavors, I wish you all possible success in reaching the goals which you set for yourselves.

Sincerely yours,

Durward Weaver

All the Band members found that their orbits crossed. every day, fourth period. There was nothing like the thrill of playing a march, with the crash of cymbals and the fanfare of the brass. Nothing, that is, except the soft, slow music of the woodwinds, with the occasional light tinkling of the bells. We went in for a lot of folk songs his year — Spanish, Scotch, Irish — even Slavic! The balance was perfect.

Our School Activities

A very efficient group of students who work very well together is the student council. The council meets once each week to plan activities and to decide affairs concerning the school. The student hall patrol was one of the council's many ideas. Also among other things, they sponsored bulletin board contests for the Junior and Senior high school. Their very helpful advisor is Mr. Wappett.

We Worked Hard With Our . . .

The literary staff of the yearbook was organized in September to choose a theme for the 1959 Hackensack, and "Our 180-day Orbit" was decided upon. From fall until spring we followed through with this idea and carried it out in the pages of the new yearbook. We met on Mondays and some weeks, every day. The final product was a great success and very rewarding to us.

The Literary Staff wishes to express its sincere thanks and appreciation to Ellen Goldsmith, Saralee Orton, Karen Padrock, Karen Smith, and Sandra Tew for their timely help in our last minute preparation of our yearbook.

Aim As A Medalist Yearbook

The business staff began selling yearbook ads early in the year and had broken records by the time deadline rolled around. Canvassing Warrensburg and the surrounding cities and towns was not easy, but it provided us with experience in salesmanship as well as adding to an enjoyable and busy year.

DONKEY BASEBALL

Each year the senior class sponsors the annual donkey basketball game. This year the game was played on February 28 in the school auditorium. FACULTY-VARSITY GAME

The faculty-varsity game, as you can see by the pictures, proved to be one of the most hilarious events of the year. Although the faculty took a crushing defeat, they put up a gallant effort. The varsity, dressed in their yellow uniforms, played a brilliant game, much to the dissatisfaction of Coach Khoury, who played for the faculty team. The faculty, due to their seniority were allowed many extra-court privileges, which are not usually included in a regulation game. Some of these included: the use of a rim-guard, assistance from the referees, the giving of faculty fouls to the varsity player who was fouled, the use of six faculty players to five varsity players, disregard of the boundaries, and walking with the ball. Of course if a varsity player committed any of these he was immediately penalized.

Missing: Ruthellen Mundy, "Paige", and Charles Barton, "Jimmy".

SENIOR PLAY

"WE SHOOK THE FAMILY TREE"

With a crash of cymbals, the senior play opened to a full house in the school auditorium, March 13. To the cast it was their biggest night of the year, especially to Bonnie Binder who played the leading role of "Hildegarde." The work of the stage crew added to the play as they had provided a very good living room background. The make-up committee did an expert job of making the cast appear natural while they were on the stage. We will never forget Frank Mundy's portrayal of "Mr. Shermer" in the afternoon performance, as he memorized the part on short notice when Roderick Kenyon became sick.

BASKETBALL SWEETHEART

Lynne Smith

Again, the yearbook has sponsored the annual Basketball Sweetheart contest. Each Class, from Freshmen to Seniors, nominate two candidates to participate in the contest and from these eight candidates, Seventh Graders through Seniors elected the two finalists based on their personality, popularity, and participation in school activities. This year, Lynne Smith is the winner and Sandra Parker is the runner-up.

ALL-AMERICAN

Edward Merrithew

Once more, a committee of faculty members has selected the outstanding boy from the high school to be honored with the title of All-American. The qualifications for this title are personality, popularity, and participation in school activities; and, with this in mind, the committee has chosen Eddie Merrithew.

SOCCER

The soccer team, which belongs to the Adirondack League, didn't have a successful year. We lost three games in the last minute. Our co-captains were Jack Toney and Dick Needham. Coach Cranker taught the boys all the rules and fair play, which showed in all the games we played. We hope to have a better season next year.

FOOTBALL

Our co-captains, Bob Carpenter, and Art Thayer, led us to a successful year under the direction of Coach Khoury. We switched from six to eight man football. For eight man football we add two more men and call them guards on the line. We play eleven man rules. Pass receivers are backfield and two ends. For the second year in a row we took second place in our league.

JUNIOR HIGH BASKETBALL

The Junior High Basketball team met every Saturday morning for practice. Although they didn't become quite as accomplished as the varsity team, they had a lot of fun. Their big night came when they held their play-off games in the school auditorium, with the older boys for coaches. The big moment in every junior high player's life comes when he plays high school basketball.

VARSITY CHEERLEADERS

Six of the seven Varsity cheerleaders had been on the squad before. Three were Seniors and four were Juniors. Uniforms were slightly changed and new cheers were composed. For the Senior girls, especially, the year flew. All too soon we were looking back on a wonderful year that could never come again. Cheerleading provided fellowship and opportunity for co-operation. Our All-Star cheerers were Sandy Parker, Karen Padrock and our captain, who presided over all of us during football season, was Sandra Carpenter.

J. V. CHEERLEADERS

J. V. Cheerleaders range in grade from 8th to 10th. This year we altered our uniforms and scheduled practices, anxious for football season, and, when that was over, basketball. The time went all too fast, but we did gain experience and memories, and most of us tried out for Varsity this spring. Lynne Smith was our able captain. We sent Ann Savage and Sandra Bunker to All-Star and most of the squad cheered for the Donkey Basketball game.

Our Outstanding Spring Sport

Early each Spring, the baseball team assembles to try out for their little niche on the team. Full of pep and energy, they begin their season with hopes of rocketing to top place in their league. Enthusiasm and hard work provide a stable basis for their thoughts of victory. Due to the yearbook going to press early, the '59 baseball picture was not available and the '58 picture replaced it.

One of the highlights of our first year of high school was our initiation, followed by our return dance for the Sophomores, the "Sleigh Bell Sway."

A busy year was climaxed by graduation, and we're looking forward to next year's journey on our orbit as Sophomores.

The Sophomores found the second year of high school to be a very hectic one. Our elections resulted in the president for the fourth year in a row being Dale Aldrich. Our new vice-president was Dick Needham; and our new treasurer was Alice Thayer. Re-elected to the student council and secretary's position were Tom McCormick and Lynne Smith, respectively.

The Tenth Grade Coasts . . .

Through This Revolution

In October we gave the freshmen their initiation in a new way, and sponsored the "Thunder Road Drag" in their honor. In May we had our spring dance. In June we had our tests, and now here we are, on the threshold of our junior year, experienced and eager to start on our orbit again around the school.

We went out for sports, band, Hi-Rock, and other activities. Five sophomore girls made JV cheerleading.

Orbiting Is A Familiar Pattern

The Juniors started their third year of high school off with a round of dances, sports, and many other activities. The highlight of the year was the Junior Prom. The seniors obtained all their money earlier than was expected so the juniors received all their open dates for money-raising activities.

The Warrensburg P. T. A. Offers These Suggestions:

Forget the slander you have heard;
Forget the hasty, unkind word;
Forget the quarrel and the cause,
Forget the whole affair because
Forgetting is the only way.
Forget the storms of yesterday;
Forget you ever get the blues,
But don't forget to pay your dues.
